To whom it may concern,

Paradox Interactive AB allows any third party to use the images and sounds from any of Paradox Interactive's video games - with the exception of "Europa Universalis® IV: *Sabaton Soundtrack*", "Hearts of Iron® IV: *Sabaton Soundtrack*" and "Cities: Skylines® in-game radio station *Gold FM*" - in his/her "Let's Play" videos or equivalent under the following conditions:

1. The video is only displayed on the websites www.youtube.com and/or www.twitch.tv;
2. The video is also displaying your original content and not only copying content from Paradox Interactive's games (for example, it is not allowed to just upload a soundtrack alone); and

When using a soundtrack, please attribute the composer and performer of the soundtrack.

This authorization is given even if the video is monetized or contains advertisements.

This authorization may be subject to change from time to time.
