

Video Policy

Paradox Interactive AB allows its users to use game content to create let's play videos and similar videos for upload on YouTube, Twitch and similar video sharing services.

The following items are explicitly excluded from this permission:

- "Europa Universalis® IV: *Sabatón Soundtrack*";
- "Hearts of Iron® IV: *Sabatón Soundtrack Vol. I*";
- "Hearts of Iron® IV: *Sabatón Soundtrack Vol. II*";
- The soundtracks from Cities: Skylines® in-game radio channel "Gold FM"; and
- The soundtracks from Steel Division - Normandy 44.

The video must also include your own original content and not only copy content from Paradox's games (for example, it is not allowed to upload a soundtrack alone).

Please provide the following copyright notice in the video description:

"[Game] Copyright © [publication year] Paradox Interactive AB. www.paradoxplaza.com"

When using a soundtrack, please attribute the composer and performer of the soundtrack.

This authorization is given even if the video is monetized or contains advertisements. This authorization may also be subject to change from time to time.

Should you need formal documentation for this purpose, please see

<https://forum.paradoxplaza.com/forum/index.php?threads/updated-03-06-16-monetizing-from-youtube-videos-containing-paradox-interactive-material.671169/>

If you have any questions, please do not hesitate to contact legal@paradoxplaza.com

Good luck with your videos!
